In honor of Black History Month, join artists Sylvia Westbrook and Toni Ruppert on February 9, 2012 in celebration of two African-American women artists: Boston-born Lois Mailou Jones and Chicago's Marva Lee Pitchford-Jolly.

The night will include a presentation about Jones and Pitchford-Jolly. Questions will be taken from the audience. Further, that night will be enhanced by a taste of sweet potato pie which you won't want to miss.
